Punctuality

We want to gently remind you to ensure that your child arrives at school on time – at 07:15 for a 07:25 start. Arriving at school on time is vital, as it maximizes learning time, establishes discipline and responsibility, reduces disruptions, and shows respect for others' time.

As we transition into the third term, let us continue to uphold the values that make our school community a place where everyone can flourish.

Kind regards

JVE Viljoen
